### Fire & Ice

### BI-50-FLUSHMT-WHTGLS

#### Colourful Flames

Flush Mount technology paired with another Amantii innovation - the FIRE & ICE series featuring a stunning blue flame that is easily changed to purple and yellow with just a click of the remote. This unique fireplace will be at home in any surrounding.

The BI-50-FLUSHMT-WHTGLS comes with 'ICE' media in the box. Includes: 3 large glass nuggets, clear & blue diamond shaped glass.

### Standard Black Glass

### BI-50-FLUSHMT-BLKGLS

#### Stunning flame presentation

The BI-50-FLUSHMT-BLKGLS features an exceptional flame presentation that Amantii is known for. Heat is emitted from the face of the surround allowing for a true flush mount. This stylish unit fits perfectly into any setting.

The BI-50-FLUSHMT-BLKGLS comes with 3 colours of glass media and the our new LED ember log set. So many decorative choices all in the box!
